

Tier 1: Support

Unlock the Power of HubSpot

Get tailored support and expert-led training to enhance your HubSpot capabilities. Whether you need personalized coaching or help solving specific challenges, this tier provides the foundation you need to succeed.

What's Included

Choose from training sessions or basic support requests to suit your business needs:

Comprehensive Training Sessions

- 60-minute sessions tailored to your team's goals.
- Pre-meeting agenda with clear learning outcomes.
- Access to Fathom recording and detailed notes.
- Curated educational resources to extend your learning.
- Follow-up email to address additional questions.

Basic Support Requests

- Up to 1 hour of support per request.
- Detailed solution recommendations and guidance.
- Recorded video walkthroughs to simplify implementation.

How It Works

1. **Kickoff Call:** Meet our team and align your needs with our services.
2. **Submit Requests:** Use our streamlined ticket portal to request training or support.
3. **Receive Expert Guidance:** Our certified HubSpot experts deliver customized solutions designed for your success.

Flexible Pricing Options

- Level 1: One Session or Support Request Per Month — \$500/month
- Level 2: Two Sessions or Support Requests Per Month — \$1,000/month
- Level 3: Three Sessions or Support Requests Per Month — \$1,500/month
